

Requested information regarding the meal contribution of the 6264 Fully Cooked Pierce Fajita Breast Strips**

Approximate meat credits per serving.

A serving consisting of approx. 3.17 oz of fully cooked fajita strips will provide 2.00 oz of M/MA.

****Please note, this is not a Government approved CN labeled product. The meat and bread credits per serving have been approximated to the best of our knowledge.**

Please feel free to call me if you have any further questions.
