*For crediting as a Grains/Bread Component, FNS Child Nutrition Programs require: 1) all grains/breads items must be enriched or while grain, made from enriched or whole grain and/or flour. If using a cereal it must be whole grain, enriched, or fortified. Bran and germ are credited the same as enriched or whole grain meal or flour; 2) the exact or minimum amount of creditable grains must be documented to assure that 14.75 grams of creditable grains equals one grains/breads serving. Grains/Breads may be credited in 1/4 serving increments. See FNS Instruction 783-1, Rev. 2, to equal 1 serving Grains/Breads, or FNS Food Buying Guide: revised November 2001.
