To our valued customer,

Thank you for inquiring about our frozen veggie products.

This letter certifies that the Nutrition Facts information on pack and provided in the tables below is accurate.

At this time, the following products carry the Child Nutrition (CN) Logo.

Case Code (10-Digit)	Product Name	Equivalent Meat Alternates per Serving (oz)	USDA Grains / Breads Servings	Serving Size Description	Serving Size (g)
2898949938	Morningstar Farms® Spicy Black Bean Burger	2.0	0.25	1 burger	82
2898997152	Morningstar Farms® Veggie Breakfast Sausage Patties	1.0	n/a	1 patty	38
8405971116	Gardenburger® Classic Hamburger	2.0	n/a	1 patty	71

The Child Nutrition (CN) Labeling Program is a voluntary Federal labeling program for the Child Nutrition Programs and is run by the USDA. Through this program, the formulations of our products were examined by USDA to determine their contribution toward meal pattern requirements. This oversight allows us to state this contribution on our labels with the USDA certification and seal. The benefit of a CN label is that it clearly identifies the contribution of a product toward the meal pattern requirements.

For more information on the Child Nutrition Labeling Program, please visit:  
<http://www.fns.usda.gov/cnd/CNlabeling/default.htm>.

Other Morningstar Farms® and Gardenburger® veggie products are available for a la carte sales with the meat alternate equivalents listed on page 2. However, documentation for USDA reimbursement is not available, and as such they are recommended for a la carte sales only.

Please contact your Kellogg's sales representative if you have additional questions about CN labeling and our veggie foods.
