Dear McKenna,

Attached you will find the Del Monte Product Formulation Statements the following Del Monte Items: Strawberry Squeezable Fruit Tubes, Mixed Berry Squeezable Fruit Tubes, Contadina Deluxe Spaghetti Sauce and Contadina Deluxe Marinara Sauce. The product formulation statements for the #10 size GFS label fruit items are on file at GFS.

The Squeezable Fruit Tubes equal $\frac{1}{4}$ cup of fruit for school nutrition per the NSLP/SBP guidelines and also qualify for the Smart Snacks for schools. Also the Contadina Deluxe Spaghetti Sauce & Contadina Deluxe Marinara Sauces are not concentrated and therefore are counted as is. As example, 2 cups of sauce is equal to 2 cups of vegetables.

CN labels are not applicable for these products.

Sincerely,

Mike MacMurdo
