

LETTER OF GUARANTEE

This is to guarantee that products made by Agricola Casearia Lupara Italy meet the requirements of the A.S.L.(Autorità Sanitaria Locale).

Being a federally registered company we are inspected by the ASL at least twice a month to verify compliance with legal requirements and health and hygiene product, equipment, work environments and personnel.

Dairy farming Lupara turns exclusively of buffalo milk with approximately 50% comes from their farms. 50% of production is exported to countries like USA, Japan, Australia, Europe and Canada. Our factory is home to audit contractors and directly by the Food and Drug Administration.

Agricola Casearia Lupara has a HACCP program and UNI ISO 9001-2008 in place recognizing from the ASL and CSQA (Inspection Agency).
