# Preparation Instructions

## Instructions

Remove 10 frozen doughs from the case and place doughs 2" to 3" apart on oiled parchment pan liners on sheet pans. It is VERY important to cover the pan of dough with plastic to prevent dough from drying out during thawing.

Place the covered dough in the cooler to thaw 18-24 hours or overnight. The next morning, allow covered thawed dough to rise at room temperature for 2-3 hours until it is light and fluffy.

Thaw 1 ½ lbs. chicken fajita strips and dice, then toss with buffalo wing hot sauce.

Spread 1 tablespoon of ranch dressing over the dough.

Top with 3 ounces of the seasoned fajita strips and ½ ounce shredded pepper jack cheese.

\* Optional if you want to make pizza into Calzone Spray or brush the edges the dough round with water then fold the dough over the filling and crimp the edges with a fork. Brush the top of the dough with oil and vent with a fork. Add a little cheese to the top of the calzone.

Place in a 325°F convection oven. Bake until center reaches 165 °F, cheese is melted and crust is golden brown, typically about 12-15 min.
