1

- a. Remove desired amount of product from box and place on sheet pans covered with oil lined parchment paper.
- b. Return any unused product to freezer.

2

- a. Arrange product in a single layer on a line baking sheet and place on middle rack of the oven, approximately 2 bags per tray.
- b. For even baking do not overcrowd the tray and allow room for heat circulation.

3

### Bake Times:

- a. Conventional Oven: 450°F for 14 minutes
- b. Convection Oven: 350°F for 10 minutes

### Baking Notes:

- a. Bake until cheese is melted, outer breading is golden brown, and internal temperature reaches 165°F.
- b. For even baking rotate pans half through cooking cycle.
- c. Do not overbake as cheese may burst from breading resulting in loss of filling per bite.

4

### Finishing Option:

- a. Remove from oven and allow to cool 2-3 minutes.
- b. Apply flavored spray/topping and add desired spices or seasoning to enhance flavor.

5

### Serving Options:
